PET SAFETY TIPS

SUMMER HEAT DO'S

WALK DOGS EARLY IN THE MORNING OR LATE IN THE EVENING HOURS

CHECK THE TEMPERATURE OF THE PAVEMENT BEFORE TAKING YOUR PET FOR A WALK

PROVIDE YOUR PET WITH FRESH, COOL WATER EVERY DAY IN A TIP-PROOF BOWL

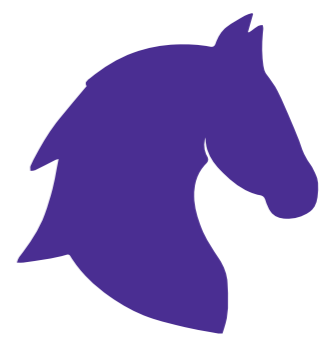

SUMMER HEAT DONT'S

DON'T LET YOUR DOG RIDE IN THE BACK OF AN OPEN VEHICLE UNLESS SAFELY TETHERED TO THE CENTER

NEVER LEAVE YOUR PET IN A CAR, IT TAKES ONLY MINUTES FOR A DOG OR CAT TO SUFFER A HEAT STROKE

DON'T FORGET TO GIVE LIVESTOCK COMPANIONS PLENTY OF WATER DAILY

DOGS CAN VISIT THE POTTY AREA AND ACCESS THE AIR-CONDITIONED HOUSE
