TRAP LOAN FORM

SPCA of Texas has loaned me the use of the following traps:

Date: _____

Trap Numbers: _____

I agree to return the traps by this date: _____ (2 weeks max, contact us if needed longer)

Deposit amount: (\$70 per trap) = \$_____.

Credit or Debit Card only, \$70 deposit per trap will be refunded to credit card when the trap is returned.

I understand that trap(s) are only to be used for Trap-Neuter-Return of feral (community) cats. Trapped cats may NOT be taken to an animal shelter or pound for destruction or surrender, or relocated or released at a location other than where they were trapped. Traps may not be used to trap wildlife; if these animals are trapped accidentally, they must be released unharmed at the location where they were trapped. Traps may not be lent to a third party.

I understand that it is my responsibility to return the trap(s) in the same condition they were lent, and clean—newspapers removed, traps cleaned and disinfected—so the trap can be stored or loaned out right away. In the event that I will need the trap(s) past the above mentioned return date, I will call SPCA of Texas and make arrangements.

I understand that any animal, including both socialized and feral cats, can act unpredictably when trapped. I agree to not open any trap, stick hands or fingers inside the trap, or handle any trapped animal unless specifically instructed. I release SPCA of Texas and its staff and volunteers from any liability for any injuries or damages that may occur from trapping, confining, transporting, or releasing these cats.
