Fundraising Ideas

Fundraising Ideas

Here are some fundraising ideas to help you think outside of the box when fundraising for both your personal and team goals!

Idea 1

Sell company/team/etc. t-shirts and proceeds go towards your team fundraiser

Do you have company swag? Are you planning to have your very own Strut Your Mutt team shirts made? Dedicate all proceeds to go towards your team fundraising goal.

Idea 2

Matching gifts from employers

Idea 3

Set up a Facebook fundraising page

Share your fundraising page on Facebook and encourage people to join, donate, and share!

Idea 4

Use Venmo to request donations

Encourage friends to send donations through Venmo. It is easy to use and allows you to see who donated and immediately thank them! As you receive donations, transfer them to your account and make a donation of that amount to your fundraiser.

Idea 5

Hold a raffle/auction/contest for your employees or team members
