

Fur-Real On Site Group Experience

Know Before You Go

We are excited to host your group for a volunteer experience. We rely on animal lovers like you to help us in our mission to provide every animal exceptional care and a loving home.

Here are some key points of information to make sure you have a PURR-fect experience!

Address

SPCA of Texas' Dallas Animal Care Center, 2400 Lone Star Drive, Dallas, TX 75212

Parking

Please park in the western side of the lot. This keeps our parking closest to our main entrance accessible for pets and their people who are entering our veterinary clinic, and for potential adopters.

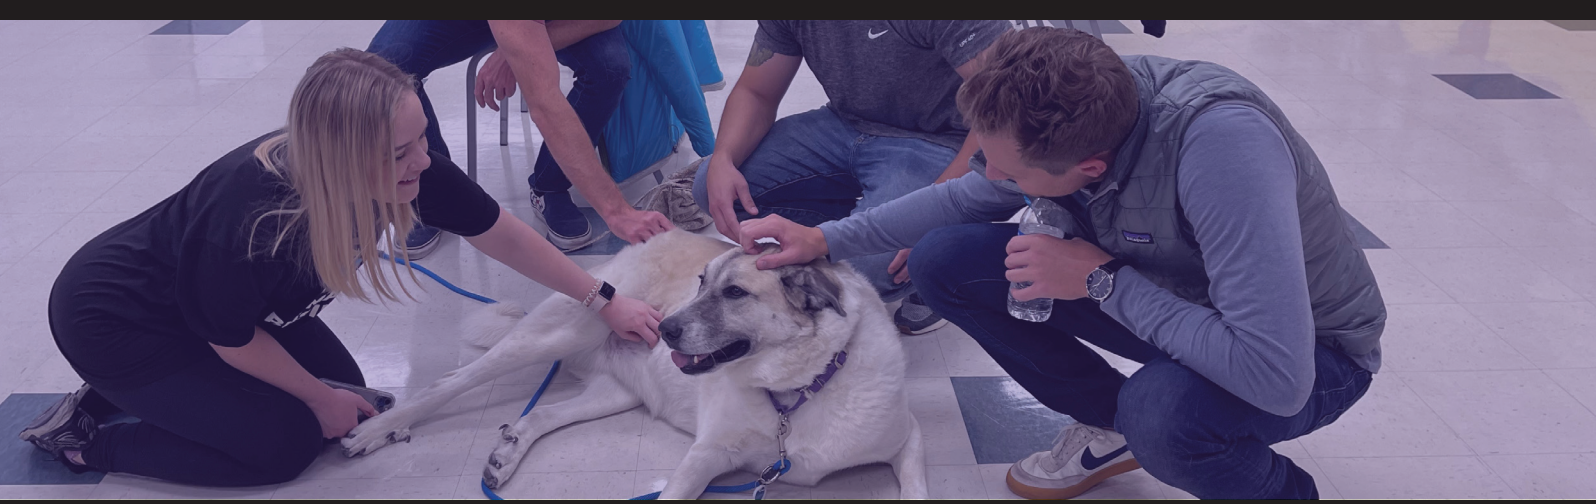

Attire

Please wear clothes that will enable you to move comfortably, and that you don't mind getting dirty. Closed-toe shoes are required.

While most of our planned activities are indoors, we may have a specific need during your group experience for a portion of the time to be outside. For this reason, we recommend that you bring sunscreen and hats during warmer months.

Volunteer Waivers

Each participant will be required to complete a volunteer waiver before the session begins. For participants aged 15-17, a parent/guardian waiver must be signed in advance and brought along with the participant. This program does not accept participants younger than 15 years of age.

Please Bring

Your own bottled water, coffee, etc. We do have vending machines and water fountains on site.

Please ask your team to collect these household items and bring them to the volunteer event:

- Empty paper towel rolls
- Empty toilet paper rolls
- Soft drink boxes
- Canned low sodium veggies, apple sauce & cherrios
- Shoeboxes
- Brown paper bags

Please Let Us Know in Advance if
