Dear **Friend**,

It is our greatest pleasure to invite you to the **SPCA of Texas Fur Ball** on **Friday, October 4, 2024**, at the **Frontiers of Flight Museum**. On this extraordinary night, animal lovers will unite with a single purpose: to help provide all animals exceptional care and a loving home.

Since our founding in 1938, the SPCA of Texas has been an organization our community relies on, not only to care for the animals, but the people connected with them. The support of animal lovers just like you play a vital role in animal protection, public safety, and saving the lives of our area's most vulnerable animals.

In 2023, donations and gifts to the SPCA of Texas were able to meet these critical needs:

- 10,000 wellness visits and 7,500 spay and neuter surgeries for pets in the community.
- 3,100 pets were able to find new adopted homes while 750 were rescued from cruelty.
- 137,177 pounds of pet food was distributed through the Russell H. Perry Pet Resource Center.
- 2,996 pets transferred to animal partners around the country.

Enclosed you will find information about underwriting and table sponsorship opportunities. We hope to sell out, so get your tickets and table early! We know you are going to love the program we have lined up for you, including our fabulous **live and silent auctions**, and entertainment by **Georgia Bridgwater Orchestra**.

The annual Fur Ball Gala is a time to celebrate animal success stories, while raising much needed funds to help more pets go from homeless to happily ever after. Thank you for your generosity!

With all best regards,

Katy Bock
